

Adventure - Built-in Refrigerators

EL49

Elite is the most innovative and beautiful line of compressor refrigerators, the ideal solution for built-in installations with a visible front.

Ideal for small spaces, Elite 49 is among the smallest built-in compressor refrigerators for motorhomes and caravans. Despite its compact size, it is equipped with a freezer compartment and can hold bottles both in vertical and horizontal position. The stainless steel effect door treated with a special anti-touch finish makes cleaning easy.

Technical features

Voltage (V)	DC 12, DC 24	Refrigerant gas	R134a
Climate class	ST	Certifications	CE, E-Mark, EMC
Dimensions (HxWxD) (mm)	531x380x455	Power absorption (W)	60
Net weight (kg)	16,5	Consumption (kWh/24h)	0,265
Capacity (L)	49
