- Notes:
- All measures are in mm.
 - All measures are nominal, due to the ceramic manufacturing processes.
 - Deviation from nominal measures can be up to +/- 5 mm.
 - The macerator pump is always fully enclosed in the toilet geometry.
 - Footprint only represents the geometry of the material in contact with the floor.
 - Model is represented with polyester seat and cover.
 - Make sure to have enough structural stiffness in the way of mechanical fasteners.
 - For clarity reason macerator unit and hoses in section A-A are only outlined.
