

## Dropping Resistor for 24 Volt

---

for 12 Volt gauges : Temperature, Tank, Pressure, Trim, Rudder angle

Cable definition:

|                            |
|----------------------------|
| blue (grey) = Illumination |
| red = Movement             |
| yellow = Warning lamp      |

---
